# CONGRATULATIONS ON YOUR ENGAGEMENT

*it's such an exciting time...*

The first step is to find your venue and whether you are looking for a traditional wedding venue at an inspiring cultural destination or somewhere quirky and a little bit different, the Prestige Venue & Events portfolio offers a great choice of interesting settings for both ceremonies and celebrations of all sizes.

The most important thing is to find a venue that suits you and you feel comfortable with to create your dream day. For some it's a fairy-tale setting, a magical castle, historic house or beautiful botanical garden perhaps and for others something a bit different, your favourite sporting venue, a racecourse or a roof top river cruise.

*“It was the most incredible day and we have had so many compliments from our guests about the quality of the food and service throughout the day – especially from the many people who had awkward dietary requirements and couldn’t quite get over how seamlessly it was all handled! “*

Signet Library, Edinburgh

*“The Signet Library seemed the perfect choice for us due to the combination of the beautiful building and the fantastic catering team. The building lends itself almost perfectly to an all-day wedding with the two very spacious rooms which are equally beautiful.”*

*Julie & Steven, Signet Library*

*“I just thought I’d send you a quick message to say how much everybody enjoyed the food and hospitality over the course of the weekend at Dundas Castle. All of the staff were exceptional, and the food even better than we remembered. We couldn’t have asked for any more.”*
